—A magnificent choosing, in light, medium or dark colorings—ranging from 46 to 58 inches in width, will be offered Thursday in the newest of the season's weaves—including striped novelties, whitecord, Bedford cords, English tweeds and mixtures, French serges and chevrons—These are, without a question, the best values offered in El Paso at \$1.50.

Novelty Suitings and Dress Materials, Worth to 1.00 yd., . . . 50c

—This special offering includes Waffle cloth, black and white checks, silk figured poplins—serges, silk stripes and broadcrests, etc., etc.—in a wonderful choice of the new fall shades—and staple colorings—only 50c yard.

New Silk and Wool Dresses at 13.95

Are Worth Fully One-Third More

—If we'd marked these beautiful dresses at \$20.00 it would not be more than they're worth—the more you look at them—the more you examine into their materials—making, and designing—the more readily will you recognize the wonderful values we are offering you. Come and see them! There are silk messalines, silk poplins, silk crepes—wool serges and reps—beautifully made and trimmed, with silk girdles and sashes, lace frills, collars and cuffs—and the color choice is superb—presenting every new shade of the season—and a goodly choice of blacks and blues.

Twenty-five New Suits--Just From the Makers, Will Be Sold at . . . 13.95

—Like the dresses—these suits should have been marked a third more! Our aim, however, is to give our patrons the best values for the money possible—and by selling each new shipment quickly—we always have the very newest garments to show you. These suits will be shown in serges and novelty weaves, in blues—browns, tans and greys—splendidly made—by man tailors, perfect in every detail—from the graceful long cutaway and medium length, silk lined coats, to the correctly fitting, perfect hanging skirts—in the several newest models.

Let Us Show You This New "La Camille" Model at 3.50

—Here's a high grade corset—at the price you've paid for a much inferior corset—a corset that embodies every good feature—that will mold even an ordinary figure—to the graceful, health giving lines that fashion has approved! You will note this model is front lacing—we will show them to you in back lacing—should you prefer—with bust height and skirt length to suit your particular figure—There's nothing can compare with "La Camille"—Our corsetiere will tell you why—if you will spend a few minutes here—with her.

39c Brassieres, Thursday at . . . 21c

—Just to bring you to this corset section—on the 2nd floor—we offer these pretty lace and embroidery trimmed Brassieres—at 21c.—They're the perfect fitting kind—as you'll see!

PROBING ARIZONA'S INDIAN QUESTIONS

Arkansas Senator Says Disease Conditions on Reservations Are Appalling, and That Sanitary Camps Are Needed.

Phoenix, Ariz., Oct. 15.—To investigate disease among the Indians, the relations of the reclamation service with the Indians on the Sacaton reservation, the opening of the Colorado river reservation and several other matters, a committee composed of senator Joseph T. Robinson, of Arkansas; senator C. E. Townsend, of Michigan; congressman C. D. Carter, of Oklahoma; congressman C. H. Burke, of South Dakota; congressman J. H. Stephens, of Texas, and Ross Williams, assistant secretary of the house committee on public lands, has reached Phoenix. Senator Charles H. Lane, of Texas, is also a member of the committee, but is not traveling with the party.

Immediately upon arriving in Phoenix the members of the committee went into conference with Frank A. Thackeray, superintendent of the Sacaton reservation, and C. W. Goodman, superintendent of the Phoenix Indian school.

Find Indians Badly Diseased.
A number of reservations have been visited and, according to senator Robinson, great numbers of Indians are afflicted with tuberculosis and trachoma, the dreaded eye disease. Senator Robinson does not believe that it is practicable to establish a central hospital for the sick Indians, but thinks there should be a camp, with experienced doctors and nurses, on each reservation.

Say Alkali Water Ruins Soil.
Several years ago the reclamation service, at the request of the Indian bureau, constructed several pumping plants on the Sacaton reservation. The Indians have been protesting against using the water for irrigation, claiming that it is alkaline and ruins their soil. This will be looked into by the committee.

A delegation of citizens from Parker called upon the committee in Phoenix and urged the members to use their influence toward the passage of the pending bill throwing most of the Colorado river reservation open to public entry.

PORTALES CITIZEN DIES IN AMARILLO

Portales, N. M., Oct. 15.—J. P. Stone, a prominent cattleman and financier of this place, died at Amarillo, where he had gone for an operation for gallstones. He died a few minutes after reaching that city. His remains were brought home for interment. Mr. Stone was one of the pioneers of Texas and eastern New Mexico, having been engaged in cattle raising and banking for a number of years.

Portales valley farmers have shipped a large exhibit to the fair at Amarillo. Carl Johnson and Carl Mueller are in charge of the exhibit, and report that the produce is making a splendid showing. The valley has also got out a car of produce for the Dry Farming congress to be held at Tulsa, Okla. Representatives will accompany the car and boost the valley during the meeting of the congress.

J. J. Molinari, H. B. Ryther, A. B. Seal and Will E. P. G. are in Topeka, Kan., where they were subpoenaed as witnesses in the investigation of the cases against Don A. Munday in the federal court there.

John Tyson, who has recently purchased the Arthur Jones ranch near town, will move his cattle from his Bronco ranch.

District court has convened and has taken up civil work. The grand jury was empaneled. The petit jury will begin work on October 20, the court taking up the criminal docket at that time.

Judge W. R. McGill, of La Lande, N. M., H. D. Terrell, of Clovis, and F. Faircloth, of Ft. Sumner, are among out-of-town counsel in attendance upon court.

Capt. Fred Fernoff, captain of the state mounted police, has been in Portales on business.

Removal Sale
by a One-Price House
For the first time in the 17 years' history of the El Paso Piano Co. has the price of a brand new Everett, Fischer, Harvard or Cecilian Player Piano been reduced.
Our many customers all know how strictly we have adhered to the "One Price" Policy, whereby we have gained the reputation "That a child can purchase a piano in our store and get the same price an expert can."
On Dec. 1st we will move into our new location at 208 Texas St., next to Watson's Grocery Store.
Beginning Oct. 15th you will receive a GENUINE reduction from the standard fixed prices of our instruments.
You NOW have the opportunity of purchasing an instrument from us for less than we have ever sold them before and for less than you can purchase the same piano after we have moved into our new location.
Included in this "removal sale" is our Fall shipment of the latest styles in Grands, Uprights and Player Pianos just recently received, and which were personally selected by our proprietor, Mr. W. R. Schutz, during his visit in August to the various piano factories in the East. These goods were ordered for our Fall Trade before we knew that we were going to move and you now get the benefit of securing a BRAND NEW Piano or Player Piano of the latest style at a GENUINE reduced price.
New Pianos from \$195.00 up
Our regular easy monthly payment plan will continue in effect during this sale. Old pianos will be taken in exchange.

25 SIGN FOR TRIP TO PHOENIX ON SPECIAL TRAIN TO ACCOMPANY RACERS

Committee Is Appointed to Get the Other People Necessary—Train Will Be Open to the General Public and Fare Is Very Low—Auto Club Names Delegates to Borderland Highway Convention at Phoenix During Fair—Many Racing Cars Are Entered.

OVER 25 passages were engaged on the special train to accompany the racers from El Paso to Phoenix on November 4 out of El Paso, at a meeting of the El Paso Automobile club last evening in the chamber of commerce. The Automobile club

cial to Phoenix and return and, besides the Pullman cars, will carry a diner, a baggage car and an observation car. The passengers will sleep on the train all the time they are away and will be able to go all the way, both en route and while at Phoenix, in the diner. The fare for the round trip and Pullman accommodations will be only \$25 per passenger. The train is not confined to automobilists, but the general public can secure accommodations until the 15th reservations are taken.

Delegates to Borderland Meeting.
The club decided to accept the invitation of the El Paso Automobile club to be represented at the meeting to be held at the Phoenix fair for the purpose of forming a permanent organization for the Borderland route and J. D. Bukey and G. A. Martin were named as delegates from the El Paso club to the meeting. The chamber of commerce will name two more delegates from El Paso. President C. B. Stevens, of the Auto club, will probably be one of these.

The club sent a wire to San Antonio, to chairman Carr, of the Texas branch of the American Automobile association, asking for blanks for the registration of drivers who will enter the race. As it is a sanctioned race, all drivers must have licenses from the Texas Automobile club.

The matter of electing officers of the club for the ensuing year was postponed until after the Phoenix race, and the action of the executive committee in employing Mark Norton as assistant secretary to handle new members, was approved.

To Have Pennants.
A committee was appointed to have pennants made for the excursion to Phoenix and every person on the train will be supplied with a pennant bearing the words "El Paso Automobile club." The cars will all carry pennants in the race also.

willing to give the club \$110 road money which it has in the treasury of the county for the precincts through which the New Mexico portion runs through Dona Ana county.

Entries Total Over 20 Cars.
Considerable enthusiasm was shown in the race and a count of the cars actually ready to enter showed that at least 20 or 25 will start when the flag drops on the morning of Tuesday, November 4.

One of the Tucson cars reached El Paso last evening, trying out the road. It is from the Bonstadt garage in Tucson and is a Studebaker "30." It is driven by A. C. Fallis, who is accompanied on the trip by his wife and I. B. Hart, a mechanic. Mr. Fallis says the race will be won by a car making an average of from 26 to 30 miles an hour, from El Paso to Phoenix.

W. J. Rand made the announcement that Billy Adolph, who has become locally famous as the driver of "Old Betsy," will drive his new Stutz in the race. Mr. Rand's son, Clarence, will accompany Mr. Adolph. Mr. Rand himself will make the trip on the special train. The new car will be given its first tryout over the course next week.
